Safety: Where do you start?

Let's join forces to:

Assess - - - - - Plan - - - - - Act - - - - - Achieve

Have you wondered?

- How can you comply with legislation and have a safe workplace?
- How safe is your farm? How safe are you?
- How often do you think about the safety of what you and your family/employees are doing?
- How can you achieve maximum results from minimum input?
- What you are teaching the next generation and the type of role model you are.

Do you want to:

- Find out what other farmers are doing and how.
- Work with others to solve challenging issues and meet safety requirements.
- Share ideas
- Discover how to channel your energy for the biggest bang for your buck

Then become a member of PASS Inc.

Managing safety doesn't have to be expensive... Not managing safety can be costly!!!

Who are we?

A "Not for Profit", grass roots organisation who are passionate about improving safety in the rural environment

Our vision is "To eliminate all fatal & serious accidents particularly involving young people exposed to rural environments"

Aims

- To **seek** knowledge, understanding & skills for safe farm practices
- To **share** this knowledge, understanding & skill
- To **support** young persons, employers, education facilities, families & community groups to **implement** safe practices
- Develop & provide educational programs & support material for implementing safe practices
- Advocacy for rural safety
- Encourage research into farm safety issues

Inaugural Management Committee:

Chair - Anne Taylor (Farmer / Physiotherapist)

Vice-chair - Kathy Henry (Farmer)

Secretary - Fiona Chilvers (Farmer/Educator)

Treasurer - Simon Hegarty (Accountant)

Members - Jane Bond (Farmer), Michael Brodie (Farmer), Richard Doyle (Soil Scientist, Lecturer @ U.Tas)

Member Benefits:

- Attend Forums & training workshops at a discounted registration fee
- 3 newsletters per annum
- Members only page on website, with downloadable resources (yet to be developed)
- Annual report.
- Support and advice to implement research findings
- Outcomes of Advocacy
