#### Facts about Julian

**Julian is:** Co-ordinator Wheatbelt Men's Health, WA  
President of M.A.N. (Men's Advisory Network)  
Formerly the project officer of Alive and Well, a community support program

**His beat:** 200 kilometres east of Perth, WA into isolated, drought-ravaged wheat country  
sparsely populated with small farming communities.

**His focus:**

- On the overall well-being of men and boys
- Men taking a more positive attitude to both their physical and mental health
- He encourages men to help each other through talking over some of the issues that affects them

Julian presents information in a way that is understandable, has realistic goals, delivered in a relaxed manner, and he prefers a male comfortable environment.
